Eleventh Sunday in Ordinary Time

Jesus sees the need for labourers in the harvest. His choice of the twelve is for the purpose of going out to seek the lost sheep, to cure and to heal. It is a total vocation for them, a dedication freely given.

A Farmer's Prayer

O glorious St. Joseph, foster father of Jesus, you did provide for the Holy Family. We commit to your protection all our crops and farm industries. We beseech you, to intercede on our behalf with Almighty God, who rules the seasons, so that our fields, being safe from pests and favoured by the weather, may yield abundant crops that will allow us to supply the wants of life. Thus freed from earthly worries, may we, after your example, apply all our thoughts to eternal life. We beseech you to instil a love of the land into the hearts of our youth for their own salvation and that of Christian unity, so that we may all share hereafter in the same blissful life you enjoy in heaven. Amen.

"The harvest is rich, but the laborers are few, so ask the Lord of the harvest to send out laborers to his harvest."

Matthew 9:37

Eucharistic Adoration:

Adoration in the parish commences on Tuesday 20th June from 10am to 7pm. Everyone is encouraged to come and spend some time in the real presence of Jesus, many graces and blessings will be gained for you, your families and our parish. A particular thank you to those who have taken a designated hour as without that commitment Eucharistic Adoration would not have been able to commence.

The Church and the world have a great need of eucharistic worship. Jesus waits for us in this sacrament of love. Let us be generous with our time in going to meet Him in adoration and in contemplation that is full of faith and ready to make reparation for the great faults and crimes of the world. May our adoration never cease

On **4th July**, we are having our next collection. For all those who are currently having a Spring Clean, please send us your unwanted clothes. Bags of clean, unwanted textiles may be left in the school shelter or at the school gate any day from 26th June until the 3rd of July, for collection by Cookstown Textile Recyclers, one of the Eco-school program partners, who will sort and recycle. Low grade material is used for industrial wipers and fillings, good quality clothes are re-used in the developing world. What can you put in the bag? All types of clothing, Bags and shoes, Hats and belts, Towels and curtains Bed linen, **No quilts or pillows**. Thank you in advance for your support.
